

Drill B2150

This large and robust NOVUS B 2150 block punch easily punches up to 150 sheets of paper and is easy to handle. This large capacity punch punches even the thickest catalogs and brochures. Very easy punching thanks to its lever technique.

Accessory set for the B 2150:
2 punches and 4 spare discs.

Characteristic:

 **Punching capacity**
This is the number of sheets of 80 gsm paper that can be punched at one time. Here, the maximum punch capacity is 150 sheets.

 **Punch spacing**
The standard spacing is 80mm, except for units with variable spacing.

 **German standard: GS safety test mark:**
Tested in accordance with the Material Safety Act.

 **Punch position:**
Adjustment strip for all standard DIN formats: A4, A5, A6, A4 4 holes (3 x 8); as well as USQuart and Folio.

 **Easy storage**
The locking of the upper part reduces the clutter of the punch and facilitates storage.
